

ATHENS INTERNATIONAL BOAT SHOW

3-7 DECEMBER 2025

EXHIBITORS MANUAL

ORGANISED BY

The ***Exhibitor Manual*** answers all the basic questions that may arise in view of your participation in the ***ATHENS INTERNATIONAL BOAT SHOW*** exhibition.

The Manual contains useful information about the construction of your stand, the services offered, and other partners, who are at your disposal for any additional services you may need. Please make sure to send the required documents and orders timely and within the designated time limit, to avoid any delays.

We would also like to note that it is necessary that you share with your partners/crews the information contained in the Manual regarding the construction of your booth or other services.

We remain at your disposal for any other information or clarification you may need.

We thank you and we will be happy to welcome you to the exhibition.

1. The Exhibition

The exhibition will take place from **3rd to 7th of December 2025** at Metropolitan Expo, Athens, in **Halls 1 and 2**.

2. The Exhibition Centre

The Metropolitan Expo centre is the largest and, at the same time, the most modern exhibition, conference and event centre in Greece.

3. Access

The exhibition centre can be quite easily [accessed](#) by car and by all other means of public transport (Metro, suburban railway, city buses).

Google Maps:
Metropolitan Expo

4. Taxi Services

The company TAXI HELLAS offers transport services and is the official partner of the exhibition. You can contact the company at the following details, while during the operating hours of the exhibition, there will be a service point at Lobby 1 and Lobby 2.

TAXI HELLAS Contact Details

Tel.: +30 2106457000, 2108014000

E-mail: calls@athens-taxi.gr

5. Parking

The exhibition centre has two car parks with a total area of 100,000 m² (see car park P1 and car park P2 on the chart).

EXHIBITION PREPERATION

1. Delivery of Stands

To assume your stand and place your exhibit products you will come to Metropolitan Expo at Lobby 1, during the following days.

Date	Stands	Time
Sunday 30 th of November 2025	Space Only	08:00-23:00
Monday 1 st of December 2025	Space Only	
Tuesday 2 nd of December 2025	Shell Scheme	

CAUTION! The construction work at the stands, such as painting, cutting, sanding, should be completed by Monday 1/12.

You will be notified of a priority schedule for the entry of boats and products, which will be strictly adhered to.

The presence of the Exhibitor and/or contractors at the venue is only allowed at the above-mentioned dates and times.

Please, let us know the contact details of your cooperating construction company.

2. Design and layout of the stand

The Exhibitor is responsible for the decoration and internal layout of the stand.

In stands with a boat in Hall 1 the following are valid:

- The exhibitor has the right to decorate his stand with a constructed structure or offices, provided that its length should not exceed 30% of the front of the stand and its height is up to 2.5m.
- The constructions as well as the structure that separates adjacent stands will not exceed 1. 2m.
- The space frames, the crosspieces and the lighting of the stand should start 1m. within the boundaries of the stand.
- The exhibitor has the right to build a public access platform to the exhibits, the height of which is determined by the height of the catwalk of the boats.

In Space Only stands in Hall 2 the following are valid:

- In any case, the Space Only stands of 3 or 4 sides should be open and easily accessible. In their design, a 2m. opening should be provided on each side for every 5m. of length.
- The construction of the stands should not exceed 3m. For constructions up to 3m. a Responsible Declaration (Model 1) should be sent to the Technical Company EXPOWORK for the technical perfection, safety and static adequacy of the construction signed by the exhibitor.

- In any case, the side of the construction, which is adjacent to other stands and from the point which exceeds 2.5m, must be flat and painted off-white.
- Space Only stands cannot use structure elements of the Technical Company of the exhibition.
- In case panels of adjacent stands are used, they will be charged per piece by the Technical Company.
- In all the stands where there are meeting tables, the safety measures related to the social distances should be applied.
- The ceilings of the stands should be left completely open to ensure adequate ventilation.
- The construction of the stands must be completed 1 day before the opening of the exhibition.

3. Advertising Signs-Suspensions

The exhibitor has the right to construct and place inside his/her stand advertising signs, which will not obstruct the visual field of the exhibition and whose length will not exceed 30% of the front of the stand, including the space occupied by the office. .

No suspension is allowed without the approval of Expowork SA from fixed points of the Exhibition Area.

Expowork SA is the exclusive provider of suspension services at the Metropolitan Expo.

4. Cleaning of Stands and Boats

The organizing company on the last night of preparation (02/12) takes care of cleaning the booths and common areas of the exhibition. For the rest of the days, the exhibitor is responsible for cleaning the stand.

For the rest of the days, the exhibitor should ensure the cleanliness of their booth.

5. Stand Equipment- Technical Services

The official technical company of the exhibition centre and the exhibition is EXPOWORK SA. The exhibitors may directly address the technical company for the following services , and it is recommended that the orders are dispatched timely and within the designated time limit.

Obligatory EXPOWORK SA Services:

- Power Supply
- Rigging Services
- Water and drainage supply
- Telephones
- Internet

Optional EXPOWORK SA Services:

- Construction of any type of stands
- Rental of furniture
- Carpeting
- Stand cleaning
- Rental of audiovisual means
- Security
- Carpets

EXPOWORK SA Contact Details

Tel.: 210 3542 990
e-mail: sales@expowork.gr

6. Power Supply

For the supply of power to ground trace stands, ordering power from the technical company EXPOWORK SA is necessary (obligatory service). No intervention or direct connection to the power supply networks of the exhibition centre is permitted. All the connections and the main electrical panels are exclusively supplied by EXPOWORK SA.

As a next step, distribution from the electrical panels is carried out under the exhibitor's responsibility. Electrical works must be performed by a qualified Electrician, in accordance with the applicable laws. Before the exhibition starts, the exhibitor must send the technical company EXPOWORK SA a copy of the license of the Electrician in charge, as well as the Solemn Declaration, signed by the latter, whereby the electrician will guarantee safe construction and operation of the installation (**Template 2** at the end of this manual).

For safety reasons, the stands' electrical panels must at all times be located in visible, easily accessible places. Pursuant to the regulation of the Exhibition Centre, the use of LED lighting fixtures is mandatory for all the constructions and the structure stands.

With regard to the order for power supply, you can address the technical company of the exhibition centre by November 20th 2025.

ATTENTION! Should the above procedure not be observed, the stand will not be provided with a power supply.

EXHIBITION OPERATION

1. Exhibitors Entry

Entering the exhibition is allowed only with the display of special exhibitor registration cards. Each exhibitor receives a pre-agreed number of free admission cards for himself and his staff.

Caution! Badges are strictly personal and non-transferable.

During the exhibition, exhibitors and staff will only be able to enter the exhibition centre through Lobby 1&2.

2. Exhibitor Parking Cards

For the arrival of vehicles near the halls for the purpose of transporting products and equipment during the exhibition, you must carry with you the special Parking cards.

You will receive the cards from the Reception of the exhibition centre and they correspond to:

- | | |
|---------------------------------|-----------------|
| - From 10 to 50 m ² | 1 Parking Card |
| - From 51 to 100 m ² | 2 Parking Cards |
| - Over 101 m ² | 3 Parking Cards |

The entrance of the vehicles using a parking card is able through the special Entrance for Products and Equipment Transportation of the exhibition centre and only in the presence of the driver.

The rest of the vehicles may park in the central parking lot of Metropolitan Expo.

3. Exhibition Opening Hours

The opening hours of the exhibition are set, on weekdays from 15:00 to 21:00 and on weekends from 10:00 to 21:00.

Exhibitors can proceed to their stands half an hour before the opening of the exhibition.

4. Free Bus Service For Exhibitors and Visitors

Free transportation by bus from the Metro and Suburban Railway station Airport El. Venizelos from Wednesday 3/12 to Sunday 7/12.

On weekdays from 14:00 to 21:30 and on weekends from 9:00 to 21:30.

For the convenience of your staff there will be a free transportation bus from the Metro and Suburban Railway station Airport El. Venizelos on Sunday 7/12 from 20:00 to 24:00.

The buses departure from **Lobby 1**.

5. Exhibition Dismantling

The dismantling of the exhibition will start on Sunday 7/12 at 21:30.

The exhibitor is responsible for the removal of the stand construction after the end of the exhibition.

The dismantling should be completed until Monday 8/12 by 18:00.

6. Safety-Security

The Organising Company, in collaboration with a security company, sees to the general surveillance of the exhibition spaces. For individual booths and exhibits, it bears no liability for any damage or theft during the exhibition preparation, operation and dismantling days. Exhibitors are the sole parties exclusively responsible for the safety and security of the merchandise.

For this reason, Exhibitors should and must take the necessary steps to insure their exhibits and merchandise against all risks.

The exhibitor bears liability for any property damage or physical injury cause by the exhibitor, or the exhibitor's staff, construction, or exhibits.

For security services the exhibitors may address the technical company of the exhibition centre, EXPOWORK SA.

Caution! The Organizing Company has no responsibility for the trailer of boat. Their safekeeping is the sole responsibility of the exhibitors.

7. Sound-Music

In case there is a need for the operation of any sound production devices, musical instruments, visual or audio effects, they will exclusively apply to the area within the booth, with a maximum permissible volume of 80 decibels.

In this case, the exhibitor undertakes the responsibility to obtain the necessary license in a timely manner from the intellectual property management companies.
